NWSC

The Neighborhood Watch and Safety Committee (NWSC) has added a service for the community! We encourage all pet owners to secure their critters. However, if you experience a missing pet, please feel free to call in and/or complete an incident report to let us know the details. We will keep an eye out for your pet and contact you if located! As always, all volunteers are welcome to join the Neighborhood Watch and Safety Committee. The next meeting is August 29 at the Community Center at 6:30 PM.

Point Aquarius Directory

A popular project of the Women's Club is the publishing of the Point Aquarius Directory every other year. We are planning now the 2014-2015 edition and will go to print sometime in the 4th quarter of this year.

If you have not done so already, update your listing by sending your name and address and phone number to:

PointADirectory@gmail.com.

We would also like your suggestions for any local service providers with whom you have done business. We hope to include those companies with which our community members have been satisfied. Our directory staff would be glad to contact these businesses about advertising in the next directory. Just provide the name and contact information via the e-mail address above.
