## TREES

Have you noticed new trees on Point Aquarius Blvd? Youth from First Presbyterian Church, Conroe, planted sapling trees in our neighborhood. A total of 50 were planted between Gemini and Regulus. They are all native oaks and some pines, which were grown from acorns or seeds by Roy Kessler. This is a service project for these young people. From left to right, are Jessica Moran, Jaziel Perez, Daniel Green, Samantha Watson and Matthew Green. Thanks also to Lynda Henry and the Beautification Committee, Dick Schack, Buddy Gibson, and Jill & Zach Savory for helping make this project happen. Over the last few years, this youth project has added over 200 trees in the commons areas of our neighborhood. Roy Kessler

## THOUGHT FOR THE DAY

Kindness is an inner desire that makes us want to do good things even if we do not get anything in return. It is the joy of our life to do them. When we do good things from this inner desire, there is kindness in everything we think, say, want and do. *Emanuel Swedenbourg*
