NEW TREES

On November 9, youth from First Presbyterian, Conroe planted 41 trees near the Section 7 marina parking lot. This was a service project for this wonderful group of young people. They are all native trees, mostly oaks and some pines. They were grown from acorns or seeds by Roy Kessler. They are replacement trees for those lost in the drought or storms.

Thank you so much for planting these trees.

They will be beautiful in a few years if we keep them watered through their first summer. Anyone wishing to help with that is welcome. Contact Roy Kessler, 936-856-1403 for more information.
