The 4th Annual Point Aquarius Rummage Treasure Hunt on May 6 was a tremendous success. With sunny, beautiful weather, the neighborhood came alive with golf carts everywhere and shoppers gathered and visited.....some shopped 'til they dropped.

It was exhilarating to be involved in such a venture. We're looking forward to the 2018 PA Rummage Treasure Hunt. Please direct all constructive comments to the POA Office manager at:

pointaquarius@consolidated.net

Newly elected PAWC officers (L to R) Diana Moore, Secretary, Pauline Brown, Treasurer, Irene Mayen, President and Kathy Brown, Vice-President.

FREE WATER EXERCISE CLASS

Tuesday-Friday 8:30-9:30 AM

Each session will include stretching, strengthening, flexibility and aerobic exercises. The routine is always a bit different each day, but nothing so complicated as to be intimidating and there are no "exercise police". Everyone is encouraged to modify the exercises to accommodate their specific abilities, but everyone must have fun! If you are interested, contact Ginger Stocker at:

POA NEWS

POA Office Changes

Welcome Michele Southard to The POA Office.

New Hours:

Monday-Friday, 8 AM-4PM
(we will be open through the lunch hour)

Heavy Trash

Heavy Trash Pick-up is the 4th Monday of every month. June 26 will be the next scheduled pick-up. Do not place trash on vacant lots. Report offenders to the POA office.

Tree Trimming

Please take the time to assess the trees in your yard. There are several homeowners throughout the neighborhood that need to trim their trees. If you have trees that are hanging over into your neighbors yard, please make arrangements to have them trimmed.

Street Curb & Gutters

Please take time to assess the street curb and gutters in front of your home. Keep this area free of weeds and dirt and debris so that the street drains will perform better when it rains.

Parking On The Streets

We are having serious problems with individuals parking on the streets. Willis ISD has reported not being able to get to their destinations in the neighborhood, not being able to turn around, etc. They have asked for property owners and POA Board assistance in this matter. This is also a problem for emergency vehicles. Please respect your neighbors and do not park in the street. If cleaning out your garage and driveway will help make this happen then do so as soon as possible. If you have temporary guests that park in the street, please be mindful of where they are parking. Guests should not be parking in front of someone else's home or in someone else's driveway. No person should be parking in the commons, on vacant lots, or on the grass in the front yard.
