THOUGHT FOR THE DAY

It's not the wound that shapes our lives, it's the choice we make as adults between embracing our wounds or raging against them. *Unknown*

NWSC

The Neighborhood Watch and Safety Committee (NWSC) has added a service for the community! If you experience a missing pet, please feel free to call in and/or complete an incident report to let us know the details. We will keep an eye out for your pet and contact you if located! As always, all volunteers are welcome to join the Neighborhood Watch and Safety Committee.

GARDENING TIPS

- Place potted poinsettias and Christmas cactus in total darkness from 6pm-8am until poinsettia bracts show color and cactus buds appear.
- This is a very good time to plant trees. It will give them plenty of time to develop roots and get well-established.

NEXT POA MEETING

All property owners are welcome to attend.

Another good reason to buy plants from these sources is because commercial plant growers are spraying bee and butterfly killing pesticides on plants before the sell them to us.
