

GUIDELINES FOR USE OF GOLF CARTS AND ATVS (Adopted March 14, 2013)

The Board of Directors and the Neighborhood Watch and Safety Committee of Point Aquarius recommend the following guidelines:

- Owners of the vehicles are responsible for the safety and liability of all operators and passengers.
- Parents are responsible for the direct supervision of golf cart and/or ATV use by their children.
- Driver of vehicle must abide by traffic safety rules and remain on paved areas and/or streets. Driving on grass and/or common areas is prohibited.
- Vehicles operated at night should be equipped with lights.
- We recommend that owners maintain liability and proof of insurance on the vehicle(s).
- Point Aquarius will not be responsible for any damages from golf carts or ATVs.
- We recommend golf carts and ATVs be registered (at no charge) with the POA office.
- We advise residents that Point Aquarius is randomly patrolled by police officers.
- The Neighborhood Watch and Safety Committee reserves the right to amend and/or adopt restrictions of use as the Board of Directors determine appropriate.
