THOUGHT FOR THE DAY

"If you have faith and hope, you will remain positive and there will be no room to worry. Remember life has more to offer you and you have the ability to be strong."

Jesse Marie Kavumpuriath

POINT AQUARIUS EXERCISE CLASS

A volunteer is needed to lead the class. Ginger is moving this month, so will not be able to continue in her roll as leader. Anyone interested should contact Ginger Stoker at 713-299-9422 as soon as possible to get a list of the participants from previous years.

FLAG DAY

THURSDAY, JUNE 14

In the United States, Flag Day is celebrated on June 14. It commemorates the adoption of the flag of the United States on June 14, 1777.

When the US flag is displayed other than from a staff, it should be displayed flat or suspended so that its folds fall free.

When the US flag is displayed projecting from a building, the union of the flag should be placed at the peak of the building.

Never let the flag touch anything beneath it: ground, floor, water, merchandise.

It's considered respectful to have a constant light shining on the flag at night.

When the flag is worn out or otherwise no longer a fitting emblem for display, it should be destroyed in a dignified way, preferably by burning.

When displayed with another flag against a wall from closed staffs, the US flag should be on its own right (so that when you look at the flags, you see the US flag on the left), and the US flag's staff should be in front of the staff of the other flag.

POINT AQUARIUS RUMMAGE TREASURE HUNT

The 5th annual Point Aquarius Rummage Treasure Hunt on May 5 was a tremendous success. With sunny, beautiful weather, the neighborhood came alive with golf carts everywhere and shoppers taking advantage of the many outstanding bargains. Friends and neighbors gathered and visited...some shopped 'til they dropped.

It was exhilarating to be involved in such a venture. We're looking forward to the 2019 PA Rummage Treasure Hunt. Please direct all constructive comments to the POA office manager:
