## PA RESIDENT DIRECTORY

The 2018-19 Directories, published by the Point Aquarius Women's Club, have been distributed door to door. If you haven't received one, volunteers are working very hard to make sure you receive one by the end of the week. We hope you find the Directory a useful reference.

The Directory is supported by donations from PA residents and local businesses. Thanks to these businesses and the hard work of the PAWC Directory Committee, you are presented with a free copy of a phone book and community resource guide.

Please let these businesses know that you appreciate their support of the directory and utilize their services whenever possible.

Review your listing. If you have any corrections, deletions, or additions send them to:

[effie.wheeler@yahoo.com](mailto:effie.wheeler@yahoo.com) so we may update our Resident Data Base.

## HELLO FEBRUARY

There is something for everyone this month! February has the fewest days in the month, but it seems there is something to celebrate nearly every other day.

February is American Heart Month, Black History Month, Canned Food Month, Great American Pie Month, National Cherry Month and National Children's Dental Health Month National to name a few (there are more!).

And a few calendar additions:

- 1 PAWC meeting
- 2 Groundhog Day/Wear Red Day (Heart Assoc)
- 3 Ice Cream for Breakfast Day
- 4 Super Bowl
- 12 Lincoln's Birthday
- 13 Mardi Gras/Pancake for Dinner Day
- 14 Ash Wednesday/Valentines Day
- 16 Chinese New Year
- 17 Random Acts of Kindness Day
- 19 Presidents Day
- 22 Washington's Birthday/Margarita day
- 23 Go Texan Day
- 27 Houston Livestock and Rodeo begins/National Spay Day

February is the beginning of gardening season, too. Prune roses and do some trimming (keep an eye on the weather) around the 15th. No promises, but average temp range this month 62/42 to 69/47 by the end of the month. You won't see a full moon this month -- but January had, and March will have a full and blue moon.

## THOUGHT FOR THE DAY

If I were given the opportunity to present a gift to the next generation, it would be the ability for each individual to learn to laugh at himself.
