THOUGHTS FOR THE DAY

"The things that will destroy America are prosperity at any price, peace at any price, safety first instead of duty first and love of soft living and the get-rich-quick theory of life."

Theodore Roosevelt

"A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken."

James Dent

"Blessed are the young, for they will inherit the national debt."

Herbert Hoover

POINT AQUARIUS

EXERCISE CLASS

BEGAN JUNE 26

Tuesday-Friday 8:30-9:30 AM

Each session includes stretching, strengthening, flexibility and aerobic exercises. The routine is always a bit different each day, but nothing so complicated as to be intimidating and there are no "exercise police". Everyone is encouraged to modify the exercises to accommodate their specific abilities, but everyone must have fun! If you are interested, call or text Sue Westerfield at 720-291-2565.

HAPPY JULY 4TH

For Americans today, the Fourth of July is about delightful food, enchanting fireworks and heroic freedom.

It is very interesting to dig into our history and meet the mighty heroes who rose from the thirteen colonies that belonged to people from Britain and from countries across the ocean. Each colony had a separate existence. Virginia was the place where the first Englishmen had landed and made their homes.

The warriors from all thirteen colonies came together to fight for their freedom. Congress met in Philadelphia. Colonel George Washington was made the general. Congress envisioned freedom of the colonies and made them independent states.

Thomas Jefferson came forward to pen down the vision. Benjamin Franklin and John Adams laid out the most important blueprint of success, the Declaration of Independence.

Never forget the bravery, foresight and vision of our founding fathers.
