STORM DRAINS

Help keep our storm drains working properly. Keep curbs and gutters clean. Don't let leaves collect causing street flooding. Everyone can do their part keeping our streets ship shape.

P. A. TREES

PAWC caught up with Roy Kessler this week as he wrapped up pruning of the 5-7 year old trees planted in Point Aquarius. Roy and Pat Hudson pruned/shaped the Boulevard trees. Roy said it's about this age when trees begin to develop and their form is visible. Roy and his youth group have installed close to 300 saplings. Roy picked up the tree planting project, extending the trees planted along Point Aquarius Blvd. medians. Over the past years, trees have been added to many of the common areas.
