GATE KEY

Gate Key is an internet based resident & guest management system for gated communities.

Gate Key provides you with the ability to update your household's information, manage your guest, and create guest arrival notifications and reports. Your information is immediately available to the Gate House.

Please know that the system replaces all previous guest lists. In order for your guest or any type of service individual or company to enter into the subdivision, they must be on your guest list in the Gate Key System. In case of emergency, please call or email the guardhouse or POA office.

POA News

We have new signs posted "No Fishing", four placed at the pond with the Fountain on Gemini S Blvd and 2 placed at the pond by the POA office.

The reason is the Fountain pump wiring are being damaged by the hooks and lures and has cost us thousands of dollars to repair and replace.

The other ponds will be open to catch and release fishing as usual.

Dry Storage Reminder- A notice will be going out for Storage Space Rules and Regulations (maintaining storage space). Susan Hamelin, Admin. Asst. 936-856-4927
