THOUGHT FOR THE DAY

"Courage is resistance to fear, mastery of fear, not absence of fear. Humor is the great thing, the saving thing after all. The minute it crops up, all our hardnesses yield, all our irritations and resentment flit away, and a sunny spirit takes their place.

Kindness is the language which the deaf can hear and the blind can see.

Never tell the truth to people who are not worthy of it.

When we remember we are all mad, the mysteries disappear and life stands explained."

Mark Twain

POA BLOG

Based on advice that has been circulated the Center for Disease Control and Prevention, the Montgomery County Department of Health, and the growing number of cases of COVID-19 in Montgomery County, the Property Owners Association has decided to postpone opening both pools indefinitely. We will continue to monitor the situation and send an update based upon the recommendations of the CDC, on when the pools will reopen.

The POA office will remain open until further notice. We just ask that you adhere to the social distancing guidelines to remain 6 feet apart when in the office. If possible, please bring your own pen if you expect to complete paper work.

These actions are being taken to ensure the health and welfare of the residents of this community. We pledge to keep you informed of all relevant developments and how they affect association operations.

In addition to closing the pools, the POA has also decided to postpone the regular Board meeting initially scheduled for April 9, as well as the Annual Meeting and election that is scheduled for April 25. You will receive an update on a new meeting and election date when we feel it is safe to proceed.

The POA will not and does not make any of the decisions mentioned above lightly. These actions are being taken to ensure the health and welfare of the residents of this community. We pledge to keep residents informed of all relevant developments and how they affect association operation.

For your sake, we may want to ask everyone to drop any payments or forms in the drop box in the POA office instead of walking in.

Email the office for any updates in Gate Key Residence. Architectural control Packets can be sent via email or dropped off.

Thank you for your understanding and cooperation. Stay safe and stay healthy.

Susan Hamelin, Admin. Asst.
