PAWC MEETING

DATE: July 2
TIME: 9:30 AM
PLACE: Community Center
PROGRAM: "Texas Superstars Plants" by Bob Dailey, Texas A&M Agrilife Extension Center

Please RSVP so we may set up the necessary chairs spaced out for social distancing.

DONATIONS:

Loose change to contribute to the PAWC operating fund

- Items for recycling (cans, Christmas tree lights, etc.). Please drop off at 12765 Antares.
- Hotel toiletries for the M/C Women's Center
- No longer collecting printer cartridges

LAWN WATERING TIPS

1. Water only when needed.
2. Space watering as far apart as possible.
3. Moisten the full depth of the effective rooting zone of the grass (4-6").
4. Realize that various sections of the turn may have different water requirements.
5. Maintain adequate soil moisture but avoid constant surface dampness, which can promote further disease development.

The best time to water is early morning (4-6 AM) because less water is lost through evaporation.

The wind is at its lowest, and less water lost due to drift.

If your lawn slopes, you will need to watch for run-off so water will not be washed. If run-off occurs, stop sprinkling for about 1/2 hour then resume watering until run-off occurs again.

HAPPY 4TH OF JULY

The Fourth of July is a day to look at your loved ones and be happy that history brought you here today. Your family's descendants have different backgrounds, and without our independence, they may have never immigrated to America. Lately, there has been a split between people after the election of 2016. People with different beliefs on what America has become and will become began to clash. However, without delving deeper into this situation, America is still here, and these people who have conflict still live here. Our differences and clashing beliefs are what makes us Americans. We are allowed to think and speak out. We are allowed to change something we don't like. We are allowed to show emotion whether it be sadness, hatred or love. We are allowed to become whoever we set out minds to. We are allowed to be ourselves.

MARQUEE POSTS GUIDELINES

The marquee has been a very useful means of communication since it was donated to the neighborhood by the Directory Committee of the PA Women's Club in April, 2001. The Club also landscaped the flower bed surrounding the marquee. In April 2001 the POA and the Directory Committee agreed on guidelines for all Marquee Posts. They are as follows in order of priority:

- **Neighborhood Business meeting**-POA, MUD, Meet POA Candidates, Annual Meeting
- **Club Meetings**-Women's Club, Bunco, Crafts, Aerobics, Bridge
- **Entertainment Committee Events**-Easter Egg Hunt, Adult Christmas Party, Cookies With Santa
- **Special PA Events**-PA Directory Distribution, Treasure Hunt, Neighborhood Watch
- **Special Notices**-Swimming pool issues, Lake news, school notices
- **Family Announcements**-Significant Birthdays (1,13,16,18,21,40,50,60,etc) Significant Anniversaries (1,10,25,50,etc), Birth announcements, Life events

Significant Family Announcements will be posted **if space allows** and are subject to change without notice. A two week notice is requested for posting. We hope you continue to enjoy reading the notices posted on the Marquee by our dedicated volunteers. We need volunteers to help us continue our work. If you can spare four hours a month, please email: Irene Mayen at imayen40@suddenlink.net.

POOL UPDATE

The pools are open Tuesday-Sunday, Noon-8PM!

Don't forget to fill out a waiver and turn it in to the pool monitor when you arrive. You will NOT be allowed to enter if you do not have a completed waiver for yourself and each individual in your household. You will also need to bring your ID and proof of residency. You will be given the pool gate code when you turn in your waiver, but you will be required to bring your ID and proof of residency every day so that the monitors can check you in. If you are a renter, bring a copy of your lease. If you are a new home owner and your information is not yet in the POA's record, please bring proof that you own the property.

Be respectful of the pool monitors, and don't forget to utilize the sanitary stations and you enter and leave the area.

Thank you for your cooperation and have fun!

DUCK REPORT

There is a mama duck with several ducklings at the Andromeda pond. Hopefully the turtles won't eat them.

Thanks to Carin Kirtin for the picture.
