

# ROLAND E. MORGAN

My name is Roland Morgan. My wife Barbara and I have been in Point Aquarius since 2004. I am retired from the City of Houston and Montgomery County as an Arson Investigator. I spent 32 years with the City of Houston and 12 years with Montgomery County.

Ever since we have lived in Point Aquarius, I have been associated with the Board of Directors. I have served as President, Vice-President, and presently Co-Chair of the Security Committee which is over the Guards and Guard Shack and Patrol. Safety of the neighborhood is a high priority to me.

Barbara and I have been over what is called the Kids Committee where we provide the Annual Easter Egg Hunt, the Halloween Costume Contest, and Cookies with Santa.

The duties of the Board are to oversee the budget and spend monies that best benefit all of the subdivision. I have and always will do everything I can to make Point Aquarius the best place to live. I feel that I am qualified to serve on the Board and would appreciate your vote for me.

I'm Sue Westerfield. My husband, Earl, and I moved to Point Aquarius 5 years ago from Denver. I was an Escrow Officer in Denver for almost 30 years. After that I got my real estate license and opened my own company selling and doing property management. When I became semi-retired I managed an office for an elementary school with the Cherry Creek School District for 8 years. We have 4 children, 9 grandchildren and 5 great-grandchildren. We love our lake life here in Point Aquarius and enjoy being out on our boat as much as possible. When we're not boating we enjoy working in our yard. I have the time to give to the Board and would enjoy giving back to the community.

,

Hello, my name is Clint Wilkinson, and I would appreciate your support in becoming one of your next Board of Directors members. I have been married to Debra Wilkinson for 26 ½ years and we have three children. I have personally met nearly two hundred residence in Point Aquarius and the overwhelming conversation with them has been how much they love living here. This neighborhood is truly a way of life. It is a beautiful and safe place to live and raise children. However, things can change quickly if the HOA Board of Directors does not respect the rights of the homeowners/association members. You can probably think of some examples this past year where that took place. If elected I will work tirelessly to ensure that does not happen again. The Board of Directors and management company work for the association members not the other way around. Any deviation from that must not be tolerated. That is why it's so important to elect the right people to the Board of Directors. I hope that y'all give me the opportunity to serve you as a member of the Board of Directors. Thank you for your consideration.

Sincerely,

Clint Wilkinson

I have been a resident of Point Aquarius for 6 years, and we have owned two homes in PA. I am married to Ryan and we have four boys; 21, 18, and 17-year-old twins. We also have four-legged kids; two dogs and one cat. I attended Houston Baptist University, and ultimately received my real estate license from Texas A&M Commerce. I have been a real estate agent since 2005, and my husband and I are also home builders. I have served in many volunteer and leadership capacities, including serving on the HOA for our previous neighborhood. My extensive real estate and home building backgrounds provide me a unique perspective of the effect that a community can have on our property values, and the importance of a well-run board. I will bring with me professionalism, transparency, effective communication, compassion, respect for the fellow board members and residents of PA, honesty, integrity and a sincerity to serve. Thank you in advance for your consideration.
