A. All dogs and cats, with the exception of Community Cats (altered and ear tipped), shall be kept under restraint, as defined in Section II.

"Restraint" means the control of an animal under any of the following circumstances:

- A. When it is controlled by a lead, line, or leash that is secured to a secure object or held by a person who is capable of controlling and governing the animal in question.
- B. When it is within a fully enclosed vehicle;
- C. When it is on the premises of the owner and/or custodian;
- D. When it is restrained securely within an enclosure or fence; or
- E. When it is under the physical control of the owner or custodian.

All of this legal talk means your dogs and cats can not run free off of your premises

A violation is a Class C Misdemeanor.

THOUGHTS FOR THE DAY

Life is too short to wake up with regrets.

So love the people who treat you right, forgive the ones who don't and believe that everything happens for a reason. If you get the chance, take it. If it changes your life, let it. Nobody said it would be easy, they just promised it would be worth it.
