## CHRISTMAS IS NEARLY UPON US

"Christmas is the time of year to reflect with thoughtful prayer,...to cast aside of all bad thought and habits you expressed throughout the year. We can all join together to celebrate Jesus birth,...a renewal and beginning right here on planet Earth.

Jesus left all of us a message while here on Earth, to love, to care. His words were ever simple, plain and so very, very clear: "Be kind to one another throughout the coming year".

Christmas is the time of year to spend with the young and old, the needy, greedy and the poor. A time to love, a time to share.

Let us all spread our love around with all our heart and soul,...for the love of your neighbor should never torn so cold.

Songs of Christmas carols fill the nighttime air,...family and friends gather round the fireplace drinking egg nog and cider without a worry or a care,...a time to love, a time to share.

Chestnuts roasting on the stove, mistletoe strung over every door. The noisy sounds of slay are so difficult to ignore,...ringing out so loudly, they spread vibrations throughout the creaking floor."

Attending morning service in our house of worship, singing hymns and prayers of thanks,...as children in nearby parks and playgrounds play games with their new found toys,...what a thrill and pleasure to see all the happy and smiling faces on all the little girls and boys."

Joseph P. Martine, Poet, Writer

## KEEPING CHRISTMAS

Are you willing to forget what you have done for other people and to remember what other people have done for you; to ignore what the world owes you, and to think what you owe the world;...and to close your book of complaints against the management of the universe and look around you for a place where you can sow a few seeds of happiness -are you willing to do these things even for a day?

Then you can keep Christmas.

Are you willing to believe that love is the strongest thing in the world-stronger than hate, stronger than evil, stronger than death and that the blessed life which began in Bethlehem nineteen hundred plus years ago is the image and brightness of the Eternal Love?

Then you can keep Christmas.

And if you keep it for a day, why not always?

But you can never keep it alone.
