

## **Brenda Wendt**

**Executive Vice President**  
**Woodforest National Bank**

Brenda Wendt, Executive Vice President and Southeast Divisional Manager, oversees 155 branches across a multi-state geographic area including Louisiana, Mississippi, Alabama, Georgia, Florida, and South Carolina. Responsibilities include sales, service quality, community impact, and financial performance.

Brenda joined Woodforest in 1997 as a Retail Banker at the first instore branch located in Conroe, TX and developed her banking career over the years through various positions held at Woodforest. She was promoted to Branch Manager of the Conroe instore location and was instrumental in converting it to a full-service 24-hour branch providing customers the ability to conduct business around the clock, 7-days a week. Brenda furthered her career by accepting the position of Regional Manager for 17 Houston area branches then directed the New Branch Opening Teams as Woodforest expanded into 14 states throughout the U.S. Additionally, Brenda provided leadership as the Director of Learning Services, Retail Quality Assurance, as well as Customer Advocacy and Outreach from 2009 to 2016, focusing on training and support for Woodforest employees and customers.

Brenda is a Montgomery County, Texas native where she resides with her husband. Brenda has two adult children who are attending college. She is an active member of the West Conroe Baptist Church and an avid volunteer for non-profit organizations in the community including the Woodforest Charitable Foundation and Family Promise of Montgomery County. Over the years, Brenda has incorporated her passion for running and cycling with charitable fundraising events benefiting multiple sclerosis and breast cancer charities. In 2020, out of a desire to serve within her community, Brenda began serving as the Secretary and Communications Director of her community Property Owners Association.
