

My name is Sarah McDowell and I'm excited to announce my candidacy for a position on the Point Aquarius POA Board of Directors. I'm looking forward to continuing to work harmoniously with other board members and volunteers as well as the management team in an effort to continuously make Point Aquarius a great place to live in.

I have had a connection to Point Aquarius for the last 30+ years. My parents bought a home in PA in the 80's while we were living overseas to spend our summers. In the 90's, we moved back to the US and lived in PA full time. In 2010, my husband and I decided we wanted to move to Point Aquarius from Katy to raise our kids. Our kids are now teenagers and we have loved raising them in PA.

My husband and I own a software development company. Owning my own company has brought me relevant experience in handling tight deadlines, multitasking, project management, customer service, and attention to the small details that make a difference. I believe my background makes me a good candidate for Point Aquarius POA Board. I have served on the board for the last two years and know what this job entails and am willing to continue volunteering my time for our neighborhood.
