"If you cannot do great things, do small things in a great way." *Napoleon Hill*

"Beauty of whatever kind, in its supreme development, invariably excites the sensitive soul to tears." *Edgar Allan Poe*

## PAWC SCHOLARSHIP UPDATE

Scholarship applicants will be interviewed May 2<sup>nd</sup>, with recipients announced at the PAWC meeting on Thursday, May 5<sup>th</sup>. The committee will be interviewing eight outstanding applicants this year; and once again, even though choosing two out of eight is extremely difficult, it is wonderful to know that we have this many terrific young adults living in our subdivision.

Diane Crowe  
PAWC Scholarship Committee.

## POOL INFO

Please remember to minimize spills and debris in the pools as well as to utilize the facilities (restrooms) to ensure the cleanliness of our pools so we do not experience chemical imbalances. Any time the chemicals are not in balance, we are at risk of closing the pools to ensure everyone's safety.

There are pool rules posted for the safety of all guests and to minimize the issues with our pools

In the past, we have had animals/pets, clothing, diapers, and alcohol/glass in the pools. Each time this occurs, we must spend money to test the chemicals, possibly drain the pools, and/or close them.

Restrooms are cleaned Monday through Friday, we need everyone to help over the weekends with keeping them clean. Recently, the restrooms have been vandalized with debris and more which required heavy duty cleaning as well as additional maintenance. This is becoming a regular occurrence and we have some repeat offenders (minors) on camera leaving the area which we are attempting to identify and bring to the attention of their parents.

Please take pride in our neighborhood and the amenities we have by following the guidelines (outlined on our website) and cleaning up after yourself and your guests. The money spent to maintain our amenities is continuing to increase with all of the issues which only increases our annual assessment.
