Sagittarius Astros Display

We started skeleton displays in 2020, during Covid. We had seen many great Halloween displays in the neighborhood and decided it would be fun to put something up for all the neighbors who were walking by each day. This year we did Pickleball week one and then focused on the Astros in the playoffs against the Mariners week 2. It just didn't seem right to take down the Astros Skeletons when the Astros went to the World Series. The news coverage came when a neighbor suggested I send photos to some of the news stations and the Courier. We were surprised that a few different news outlets came to check it out. The best part has been visiting the neighbors who stop by to check out the "game" or to take some photos with the players. Patty Norman, 11814 Sagittarius Dr.

VETERANS DAY NOVEMBER 11

IT IS THE VETERAN.....

It is the VETERAN, not the preacher, who has given us freedom of religion.

It is the VETERAN, not the reporter, who has given us freedom of speech.

It is the VETERAN, not the campus organizer, who has given us freedom to assemble.

It is the VETERAN, not the lawyer, who has given us the right to a fair trial.

It is the VETERAN, not the politician, who has given us the right to vote.

It is the VETERAN, Who Always Salutes the Flag!
