

My name is Roland Morgan. My wife Barbara and I have lived in Point Aquarius since 2004. I have been on the board or associated with the board for the last 20 years. I have served as President, Vice President, and been on the safety committee for the past 20 years.

Barbara and I started and have been the Kids Committee for the past 20 years. We are responsible for the Easter Egg hunt, the Halloween Costume contest, and Cookies with Santa. I worked in Houston as an Arson Investigator for 32 years and worked with the Montgomery County Fire Marshalls office for 12 years. I would like to continue serving Point Aquarius to make it the best subdivision on the lake. I appreciate your vote.

Roland E. Morgan
