Hello, neighbors!

I am asking for your vote in the upcoming election.

I am pursuing this role because I believe that we all have something in common – **we want our neighborhood to be the best property on the lake.** My goals in working on the Board would be absolutely aligned with our shared interests. In summary, here is what I will to do:

- Manage the priorities of the community
- Work within the constraints of our budget to be effective as possible
- Find solutions to any outstanding issues that are meaningful to the majority of the homeowners
- **Listen to the community** – find out what **you** think is important

My qualifications, character traits and achievements:

- Focus
  - Goal setting and measurement **accountability**
- **Business experience**
  - Fortune 500 corporation (General Electric)
  - Owner of my own small business
  - 30 years of experience in Leadership positions
- **Financial acumen**
  - Management of business operations with full Profit & Loss responsibility
  - Multi-state, multi-location management of businesses with hundreds of employees
- Hard work – **committed to finding solutions**
- Always looking for compromise while constantly finding ways to **take action** through Leadership
- **Analytical thinking** – inherent from my Engineering degree

### Questions, Comment, Thoughts?
