

## **Raymond Bannister**

12590 Taurus Drive Willis, TX 77318

raybannister13@gmail.com

Originally from Indiana, my wife Linda and I, along with our dog Bandit, have been residents of Point Aquarius since 2020. We moved here to be closer to our son, daughter-in-law, and two grandsons. In Indiana, we were active members of the Property Owner's Association (POA) on Lake Freeman. We understand the challenges and opportunities of this role—particularly in a lake community—and the importance of maintaining a solid connection with the community's residents.

My wife and I really love this community and its residents. I am running for a position on the POA Board because I feel I can help maintain the value and enjoyment of our unique neighborhood by engendering the board in management, operations, and communication to help drive projects deemed important by the community's residents. The primary goal is to make Point Aquarius the best neighborhood on Lake Conroe.

### Skills

- Team leadership
