

James Lee Bishop

POA Board Candidate

My name is James L. Bishop, and I am running for a position on the Point Aquarius POA Board.

My family and I have been proud residents of Point Aquarius for the past 13 years. We have two grown children and one granddaughter. Like all of you, we treasure the amenities and the quality of life here on the lake.

Professional Background:

I currently serve as an Assistant Principal in Conroe ISD and have dedicated over 25 years to education. My wife and children are also educators, so service and community are central to our family values. Additionally, I serve as Pastor of a church here in Willis, where I've had the privilege of supporting families and building community connections.

POA Experience:

I have previously served on the POA Board two times and have always been ready to step up and serve our community when needed. During my prior service, I provided input and guidance on many of the projects and challenges our community has faced, and I'm committed to continuing that work.

Why I'm Running:

I believe in the importance of strong leadership, open communication, and thoughtful decision-making for our community. I want to ensure Point Aquarius remains a wonderful place to live, with well-maintained amenities and a focus on the priorities that matter most to our residents.

I would be honored to earn your vote and continue serving this community we all call home.

Thank you.

James L. Bishop
